

Fitted Renovations Pty Ltd

Fitted Renovations Pty Ltd is a boutique joinery company with a locally based workshop in Bathurst.

Sladjan Vujatovic, our director, served his apprenticeship with one of Sydney's top retail fit-out companies - Transform Retail Projects. Throughout his early career Sladjan was fortunate enough to have been trained by and work alongside some of the finest, highly qualified tradesman and people in the industry. This exposure allowed Sladjan to accumulate extensive knowledge, experience, and technical expertise.

Our team comprises of honest, qualified, and dependable tradesmen. Together we have the skills and knowledge to accommodate your requirements for your joinery project in a new build home or renovation. Sladjan will personally oversee every aspect of the project. With a perfectionist eye for detail and a true craftsman's desire for quality, you can rest assured that we will strive to provide the highest level of service and quality of products in the most efficient and cost-effective manner.

We provide quality custom cabinet manufacturing & installation service throughout the Central West and beyond. We strive to manufacture and install high quality, purpose-built joinery that makes optimal use of space and is exactly suited to your style, requirements, and design trends.

Currently the services we offer include:

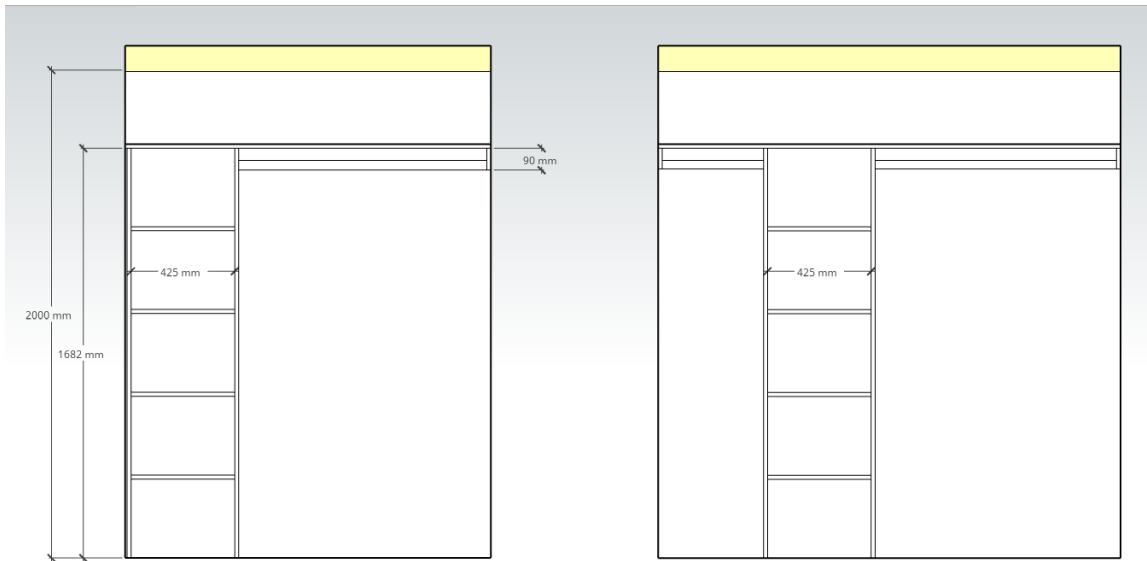

- Custom cabinet manufacture and installation
- Built-in wardrobes for Home Builders, Homeowners and DIY
- Kitchen bathroom and laundry renovations
- Kitchen, bathroom, and laundry maintenance

Services to become available soon include:

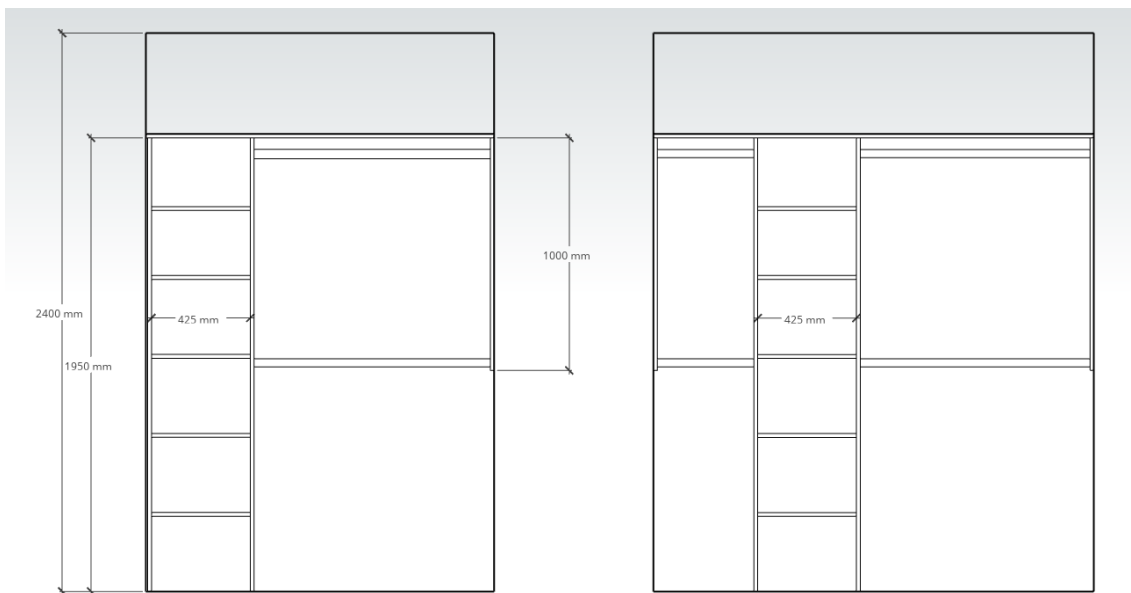

- Shower screen supply and installation.
- Vanity Mirror supply and installation

Licence No. 325998C
